

Dear Friend,

This time of year Rising Treetops usually holds its annual Theater Benefit, to which you have given your generous support. Because of the COVID-19 pandemic, we had to cancel the Benefit, but our needs have not diminished. While we have been unable to hold our traditional summer sleep away camp, we have continued to provide our **Emergency Respite Program** during the pandemic to vulnerable adults and children with disabilities. To date, our dedicated team has lived on our campus and served more than 30 clients who are in the most urgent need of our services in our COVID-19 Emergency Respite Program.

In lieu of the Theater Benefit, we are asking you to donate at the same level to support Rising Treetops' critical services. Suggested donation levels are outlined in the enclosed materials.

To celebrate the important work we do, we are planning a **Virtual Interactive Magic Show** which will stream live on **January 13, 2021**. The performance will be **FREE** to the Rising Treetops community, including donors, our clients, campers and their families. If you wish to help sponsor this performance, please check the Sponsorship box on the reply card, and 10% of your contribution will be earmarked for that purpose. Whether you sponsor the performance or not, your entire contribution will be tax deductible.

Thank you for your commitment and generosity. We look forward to seeing you in person soon and we hope also virtually for an evening of magic, laughs and fun!

Rising Treetops at Oakhurst's mission is to enhance the quality of life for children and adults with special needs, including autism and physical and intellectual disabilities, and provide respite for their families through a year-round camp experience, based in Monmouth County, NJ.
