LIVE VIRTUAL PERFORMANCE
BY ZOOM

Since 1906, Rising Treetops at Oakhurst has provided services for people with disabilities on a scenic 15-acre campus in Monmouth County, New Jersey. Each year hundreds of children and adults with special needs, including autism and physical and intellectual disabilities, receive overnight and day respite services year-round and/or attend summer camp. Clients live in barrier-free modern cabins, surrounded by tall trees, and fresh air, and participate in therapeutic recreational activities adapted to fit their varied special needs.

Throughout the pandemic, Rising Treetops has continued to serve our clients. From March 2020 through June 2021, an emergency respite program served 76 clients with special needs for an average 33 days each. This summer a modified sleepaway summer camp served 125 campers in five two-week sessions, and this fall we are providing overnight respite services in 12-night sessions for clients of all ages and disabilities. Our dedicated staff has provided a safe haven for those who had nowhere else to turn for the services they so urgently needed.

With your support, Rising Treetops will continue to be a safe haven for those with special needs, nurturing growth, inspiring confidence and celebrating joy.
