Inspiring confidence and joy
in those with special needs

This summer, as it has for 117 years, Rising Treetops will provide services to children and adults with special needs, including autism and physical and intellectual disabilities. Campers will be greeted by a trained staff of counselors, activity specialists, lifeguards and nurses, all of whom will help them have a rewarding and memorable experience. As all our clients do in our year-round overnight and after school respite programs, campers this summer will engage in activities such as swimming, athletics, arts/crafts, music, iPad-based media arts, drama, nature and cooking. For those with special needs, Rising Treetops is a safe haven that nurtures growth, inspires confidence and celebrates joy.

In order to serve all campers and clients without regard to ability to pay, the support of individuals, foundations and other philanthropic organizations is needed and appreciated. Rising Treetops at Oakhurst is a non-profit, tax-exempt 501(c)(3) organization.
